ACTION TAKEN REPORT

On the decisions of the **IQAC meeting** held on **19/12/2022**.

To implement the decisions of the above meeting of IQAC, the following actions were taken:

Agenda No.	Decision taken	Scope of Responsibility	Action taken
01	To review minutes of the previous IQAC Meeting.	IQAC	The proceedings got approved by the IQAC Chair and circulated to all Committee Members via Email.
02	Value Added Courses.	All Deans/PVC	The information is shared with all school heads in anticipation of creating gender-value courses on gender sensitization. On the suggestion of the Pro Vice Chancellor, new VAC guidelines will be drafted for the upcoming academic year in 2023-2024.
03	Feedback Analysis.	University Criterion 1 Head	University Criterion 1 Head (NAAC) noted all suggestions for the school-level implementation.
04	Internships.	University Criterion 1 Head	A separate campaign will be launched to improve the percentage of students participating in internships.
05	BOS & Syllabus Upgradation.	University Criterion 1 Head	University Criterion 1 Head (NAAC) noted all suggestions for the school-level implementation.
06	Thrust and focus on incorporation of NEP 2020.	All Deans	In view of NEP recommendations, **UGC** has issued a **revised credit and curriculum framework**, and all school heads are required to implement it in the upcoming BOS for the Session 2023-24.
07	Seed Money provided by the institutions to their teachers for research.	University Criterion 3 Head	All suggestions for school-level implementation were taken into account by the University Criterion 3 Head.
08	Percentage of Teachers Receiving national/international fellowship/financial	All Dean/Director & Principals	It is recommended that all school heads encourage their faculty members to apply for

	support by various agencies for advanced studies/research.		national/international fellowships/financial funding from various national and international agencies.
09	Number of JRFs, SRFs, Post-Doctoral Fellows, Research Associates, and other research Associates and other research fellows enrolled in the institutions for the last years.	Director, Research & Innovation	It was decided that JRFs and SRFs sponsored by government agencies would be given first priority, while the institution would aim to incorporate more JRFs and SRFs through third-party funding.
10	Facilities to support research.	Director, Research & Innovation	In the coming years, efforts should be made to enhance the current infrastructure so that the institution may become a world-class institution of higher learning.
11	Extramural funding for research (Grants sponsored by non-government sources such as industry, corporate houses, and international bodies for research projects).	Director, Research & Innovation	Collaboration with Government universities is needed because they have a fair bit of platforms, programmes, schemes, and centres for Research fundings.
12	Institution has created an eco-system for innovations including Incubation centre and other initiatives for the creation and transfer of knowledge.	Criterion 3 Head & Alumni Head	For accurate data collection on student/alumni start-ups, the Criterion 3 and the Alumni Head should work collaboratively.
13	Number of workshops/seminars conducted on Research methodology, Intellectual Property Rights (IPR), entrepreneurship, and skill development during the last years.	Criterion 3 Head	Criterion Head to collect further information for this specific metric point.
14	Number of Awards/recognitions received for research/innovations by the institution/teachers/ in research.	Criterion 3 Head	Criterion-3 Head should collect more information from the DRI, since many of the students must have also written and published research papers. We should collaborate with another university or organization to jointly award certificates to our students and teaching staff for their research and innovation efforts.
